

[Secure Patient ID Verification](#)

NEW discount program started July 27, 2011. We are now offering **new patients and caregivers** discount of \$10.00 when they visit or turn in their signed doctors recommendation the same day as it was signed by doctor.

Renewing patients

can receive a \$5.00 discount for turning in the signed doctors note within one week of getting it signed by doctor.

We're a not-for-profit California cooperative supporting patients and caregivers who benefit from medical cannabis, our [Mission statement](#) . If your interested in Patient ID Center (PIDC) medical cannabis ID Card application process please [click here](#)

. We are now offering for old members to renew Patient ID cards by mail, please contact our office to get more information or visit our [membership page](#)

Please Visit our [online store](#) for books and accessories related to cannabis.

SB 420 Official State Medical Cannabis ID Cards

Alameda County Patients Services (ACPS) is no longer accepting applications on behalf of the

Alameda County Public Health Department for State Medical Cannabis ID Cards. Alameda County Public Health Department is now running the State Medical Cannabis ID Card program at 1000 Broadway, Suite 310, Oakland, CA 94607. Please call (510) 268-2977 to make appointment at the Health Department. You can visit the [State Department of Health web site here](#), to find out if your County is offering this new State medical cannabis ID Card.
